Mr. James G. Henager  
Chairman  
National Veterans Memorial  
Vision of Henager Museum

Elberfeld, IN 47613

Dear Mr. Henager:

Thank you for sending President George W. Bush information about the National Veterans Memorial project, located in Buckskin, Indiana. The President cares about the concerns of those who write to him; however, he cannot personally respond to every letter that he receives. Your letter was referred to me because I oversee the operation of the Department of Veterans Affairs National Cemetery Administration.

We were pleased to have learned of this important memorial. Your mission to construct a memorial that commemorates all veterans is commendable. We are grateful for your patriotism, and we appreciate your desire to honor and pay tribute to those who have served our country. Please continue to keep us informed on the progress on the memorial.

Thank you for your interest and support of our Nation's veterans.

Sincerely,

A handwritten signature in blue ink, reading "William F. Tuerk", is positioned below the word "Sincerely,".
